**Re: Proposed Barnesmore Windfarm Repowering, Strategic Infrastructure Development
Application to An Bord Pleanála**

Dear Sirs,

ScottishPower Renewables (UK) Limited gives notice of its intention to make an application to An Bord Pleanála for permission for the repowering of Barnesmore Windfarm in the townlands of Keadew Upper, Cullionboy and Clogher, County Donegal.

As required by An Bord Pleanála, two electronic copies and five hard copies of the full planning application, Environmental Impact Assessment Report and Natura Impact Statement are enclosed.

As required by An Bord Pleanála, you are hereby requested to keep this planning application available for public inspection/purchase from the 6th of January 2020 in accordance with the terms of the public notice (copy enclosed with this letter). It is the Board's intention that all the application documentation will remain available for public inspection for the duration of this application.

In considering this application, An Bord Pleanála can decide to:

- (a) (i) grant the permission, or
(ii) make such modifications to the proposed development as it specifies in its decision and grant permission in respect of the proposed development as so modified, or
(iii) grant permission in respect of part of the proposed development (with or without specified modifications of it of the foregoing kind), and any of the above decisions may be subject to or without conditions,

or

- (b) refuse to grant the permission.

Any submissions/observations must be made to the Board at 64 Marlborough Street, Dublin 1, D01 V902 relating to:

- (i) the implications of the proposed development for proper planning and sustainable development, and

- (ii) the likely effects on the environment of the proposed development, and
- (iii) the likely significant effects or adverse effects on the integrity of a European site, if carried out.

Any submissions/observations must be received by the Board not later than 5.30pm on the 24th of February 2020. A standalone website containing all of the above particulars can be viewed at www.barnesmorewindfarm.com.

Yours faithfully,

Breena Coyle
